

Asian Bioethics Association Ninth Asian Bioethics Conference

Bioethics in Asia: Healthy and productive life in harmony with nature

Hotel University Sunan Kalijaga
Yogyakarta, Indonesia

3 - 7 November 2008

This ABC9 meeting is organized by the Asian Bioethics Association, the Indonesian National Bioethics Commission and is also the Third UNESCO Asia-Pacific School of Ethics Bioethics Roundtable.

The registration fee for the Ninth Asian Bioethics Conference is USD50 for a member of the Asian Bioethics Association (ABA) and USD100 for a non-member. (The annual membership fee of ABA is USD50, www.eubios.info/ABA.htm). The fee can be paid on-site during the re-registration, on Sunday, 2 November 2008 and Monday, 3 November 2008 morning in cash.

The Ninth Asian Bioethics Conference, 3-7 November 2008 ABC9 will be held at Hotel University Sunan Kalijaga, Yogyakarta. This hotel compound, a former Training Center of the University, is strategically located in Yogyakarta, 10 minutes from the International airport Adisucipto, 15 minutes from the railway station and bus terminal. Hotel University Sunan Kalijaga is suited for meetings and conferences. It has Internet service, restaurant, fitness center, with 24-hour service. The ABC2008 will be held as a plenary conference.

Accommodation can either be booked for participants at Hotel University Sunan Kalijaga Yogyakarta through the Organizer at kbnindonesia@gmail.com, or at a four-star hotel, close to the Venue: Grand Quality Hotel Yogyakarta, <http://www.grandqualityyogya.com>. Transportation to and from the this hotel to the venue of the conference will be provided by the Organizer.

Titles preceded with a “?” mark signify no direct confirmation of attendance. All speakers are asked to confirm their attendance to the conference as early as possible and revised programs will be developed, to kbnindonesia@gmail.com and d.macer@unesco.org.

This agenda does not yet give times for social events and the program for specific project meetings

Day 1
Monday, 3 November 2008

08:00 Registration

1. Opening Session

08.50 - 09.00

Opening Remarks

Umar A. Jenie, PhD, Chairman, Indonesian Institute of Sciences cum Chairman, Indonesian National Bioethics Commission

09.00 - 09.10

Welcome to the Ninth Asian Bioethics Conference

Jayapaul Azariah, PhD, President, Asian Bioethics Association

09.10 - 09.20

Welcome to the Third UNESCO Asia-Pacific School of Ethics Bioethics Roundtable

Darryl Macer, PhD, Regional Adviser in Social and Human Sciences in Asia and the Pacific, UNESCO Bangkok

Session 2. Bioethics and Global Policy

Chair: Umar A. Jenie, Chairman, Indonesian Institute of Sciences cum Chairman, Indonesian National Bioethics Commission

09.20 - 09.40

2.1 Bioethics in Asia: healthy and productive life in harmony with nature

Sahin Aksoy, PhD, MD, Harran University, Turkey

09.40 - 10.10

2.2 Bioethics in Science and Technology Development

Kusmayanto Kadiman, PhD. Minister of Research and Technology of Indonesia

10.10 - 10.30

2.3. Bioethics, human rights and health

Beth E. Rivin, M.D., M.P.H., Program Director, Global Health and Justice Project; University of Washington, Seattle, USA

10.30 – 11.00 General discussion

11.00 - 11.15 Break

Session 3. Bioethics and inclusion of moral agents

Chair: Darryl Macer and Amin Abdullah

11.15 - 11.30

3.1 Bioethics ... the shepherd of life

Evangeline Joy U. Ramos, PhD; Philippines

11.30 - 11.45

3.2 Is Bio-Ethics Possible Without The Morality of Right?: The Priority of De-Ontologism and the Limits of Bio-Ethics Discourse

Abdul Wahab Suri, MD, Asst. Prof., Dept. of Philosophy, University of Karachi, Pakistan

11.45 - 12.00

3.3 Positioning Asian Bioethics in Transnational Eco-Advocacies Networking: Any Learning From Animal Rights Movement?

On-Kwok Lai, PhD, Professor, School of Policy Studies, Kwansai Gakuin University, Japan

12.00 - 13.00 Lunch

13.00 - 13.15

3.4 Ethics of Common Good

Rainier Ibana, PhD, Ateneo de Manila University, Manila, the Philippines

13.15 - 13.30

3.5 Wu Wei of Tao and Buddhist Ethics to Save Nature in the 21st Century

Chutatip Umavijani, PhD, Thailand

13.30 - 13.45 General Discussion

Session 4. Enhancement and Neuroethics

Chair: Jayapaul Azariah, India

13.45 - 14.00

4.1 Does Inequality of Ability Justify Techno-enhancement?

Tsuyoshi Awaya, B.Sc., LL.M., Ph.D. , Professor and Chairman, Department of Bioethics, Graduate School of Medicine, Dentistry and Pharmaceutical Sciences, Okayama University, Japan

14.00 - 14.15

4.2 Human enhancement and body re-construction: prospects from the East

Natallia Aniskovich, Interdisciplinary Center BRAIN, Department of Physiology and Pathology, University of Trieste, Trieste, Italy;

Oleg Artemenko, Department of Japanese and Korean Studies, Faculty of Foreign Relations, Belarusian State University, Belarus

14.15 - 14.30

4.3 Neuroethics of deep brain stimulation

Miyako Okada-Takagi, PhD, University Research Center, Nihon University, Tokyo, Japan

14.30 - 14.45

4.4 Neuroethics: A Welfarist Perspective on Brain-Machine Interfaces in the Context of Japanese Health Care Culture

Michio Miyasaka, MD, Associate Professor at School of Health Sciences, Faculty of Medicine, Niigata University, Japan

14.45 - 15.00

4.5 Neuroethics: The Pros and Cons

Priya Chatterjee, Vellore Institute of Technology, Vellore, Tamil Nadu, India

15.00 - 15.15

4.6 Assessing the impact of brain enhancement technologies on the concept of self

Shuhei Taguchi, Kumamoto University, Japan

15.15 - 15.30 General Discussion

15.30 - 15.45 Break

Session 5. Descriptive Bioethics and Research

Chair: Abhik Gupta, India

15.45 - 16.00

5.1 Knowledge, Attitude and Safety Practices of Paramedical Staff about Modes of Transmission of HIV/AIDS in a Public Sector Teaching Hospital of Karachi

Nabila Khan, MBBS, DCPS (Health Care Systems Management)

16.00 - 16.15

5.2 Survey Research and Ethics

Noriko Kataoka, Kumamoto University, Japan

16.15 - 16.30

5.3 Urgency of traditional knowledge protection in research activities in Indonesia

Theofransus Litaay, Lecturer at Faculty of Law and Researcher at Centre of Eastern Indonesia Studies Satya Wacana Christian University Salatiga

16.30 - 16.45

5.4 Public understanding of science, research and informed consent: a Sri Lankan perspective

Chesmal Siriwardhana, Athula Sumathipala, Sisira Siribaddana, Suwin Hewage, Manura Lekamwattage, Manjula Athukorale, Joanna Murray, Martin Prince

16.45 - 17.00

5.5 The Regulation of Informed Consent in Indonesia

Anna Haroen Admodirono, Member of Bioethics and Humaniora, Unit of Medical Faculty, Airlangga University

16.45 - 17.00

5.6 Technology and Culture

S. Panneerselvam, PhD, Professor, Department of Philosophy, University of Madras, Chennai 600 005, India

17.00 - 17.15

5.7 Are human rights and health care universal?

M. Selvanayagam PhD and Francis P Xavier, Loyola Institute of Frontier Energy(LIFE), Loyola College, Chennai, India

17.15 - 17.30

5.8 The Relationship of Ethics and Philosophy Teaching to Suicide prevention in Japan

Arthur Wolf, MA, RUSHSAP, UNESCO Bangkok

17.30 - 17.45

5.9 Teaching Medical ethics through video dramas

Kenji Hattori, MD, Gunma University School of Medicine, Maebashi, Japan

17.45 - 18.00 General Discussion

Welcome dinner

Day 2

Tuesday, November 4, 2008

Session 6. Public health ethics

Chair: Aamir Jafarey, Pakistan

08.30 - 08.45

6.1. Mass Public Health Interventions in the Developing World: Some Ethical Issues

Angus Dawson, PhD., Keele University, UK and University of Toronto, Canada

08.45 - 09.00

? 6.2. Public Health can not be Integrated in the Classical Approaches to Medicine

Elangovan Thiruvalluvan, health researcher (HIV/AIDS/TB) in Tuberculosis Research Centre, Chennai, India

09.00 - 09.15

6.3. The Causes of China's Abnormal Sex Ratio and Improved Approaches

Yanguang Wang, PhD, Professor, Center for Applied Ethics, Chinese Academy of Social Sciences, Beijing, China

09.15 - 09.30

6.4. The Role of Gender Inequity in Maintaining Social Norms, and Its Effects on Public Health Ethics in Saudi Arabia

A. Mobaraki, Department of Radiation Oncology, Graduate School of Medicine, Gunma University, Japan;

B. Soderfeldt, Department of Oral Public Health, Malmö University, Sweden.

09.30 - 09.45

6.5 Ethical Considerations in the Articles Published in Nursing Journals in the Republic of Korea

Young-Rhan Um, RN, PhD, Department of Nursing, College of Medicine, Soonchunhyang University, Chonan, Republic of Korea and

Ihnsook Jeong, PhD College of Nursing, Pusan National University, Busan, Republic of Korea

09.45 - 10.00

6.6. Ethical Considerations for the Protection of Human Subjects in the Instruction for Authors of Nursing Related Journals in Korea

Ihnsook Jeong, PhD College of Nursing, Pusan National University, Busan, Republic of Korea; and Young-Rhan Um, RN, PhD, Department of Nursing, College of Medicine, Soonchunhyang University, Chonan, Republic of Korea and

10.00 - 10.15

? 6.7. Cerebral Palsy - The Social Problems.

N. S. Manjusha, MBBS student, Calicut Medical College, Kerala, India

10.15 - 10.45 *General Discussion*

10.45 - 11.15 *Break*

Session 7. Health and Bioethics

Chair: Agus Purwadianto

11.15 - 11.45

Keynote speech by the Minister of Health of Indonesia

11.45 - 12.00 Discussion

12.00 - 13.00 Lunch

Session 8. Protection of Women and Vulnerable Persons

Chair: Yanguang Wang, China

13.00 - 13.15

8.1 The Legal and Ethical Aspects of Human Experimentation in Malaysia

Anisah Che Ngah, PhD, Faculty of Law, Universiti Kebangsaan Malaysia 43600, Bangi Selangor, Darul Ehsan, Malaysia; and

Yuhanif Yusof, Kolej Undang-undang, Kerajaan & Pengajian Antarabangsa, Universiti Utara Malaysia, Sintok 06010 Kedah, Darul Aman, Malaysia

13.15 - 13.30

8.2. How to Safeguard Vulnerable Patients in Biomedical Research in Case of Lacking of Funding in Developing Countries

Di Xiao, Institute of Pharmacology, Institutes of Biomedicine, Tsinghua University, Beijing, China; and

Paola Arslan, Department of Medical-diagnostic Science and Special Therapies, University of Padua, Italy

13.30 - 13.45

8.3. Factors for Gender Discrepancy in Kidney Transplantation and Ethical Issues

Shamima Parvin Lasker, Professor, City Dental College, Dhaka, Bangladesh

13.45 - 14.00

8.4. Gender Discrepancy in Kidney Donation vs Reception Globally

Rishad Raihan, Junior Research Assistant, World University, Bangladesh; and

Shamima Parvin Lasker, Professor, City Dental College, Dhaka, Bangladesh

14.00 - 14.15 General Discussion

Session 9. Organ Transplant Ethics

Chair: Aamir Jafarey, Pakistan

14.15 - 14.30

? 9.1 Womb Transplants: The Next Radical Breakthrough in the Arena Of Artificial Reproductive Technologies?

Amel Alghrani, Centre for Social Ethics and Policy, University of Manchester, UK.

14.30 - 14.45

9.2 Kidney Transplantation in Bangladesh: Opportunities and Challenges

Chanda Sanchoy Kumar, Institute of Social Science and Public Health, Dhaka, Bangladesh, and
Chowdhury Sajeda, Holy Family Red Crescent Medical College, Dhaka, Bangladesh; Molla Musaraf Husain, Rajshahi University, Rajshahi

14.45 - 15.00

9.3 Global Efforts Against Organ Trafficking

Alireza Bagheri MD, PhD, Medical Ethics Center, Tehran, Iran

15.00 - 15.15 General Discussion

15.15 - 15.30 Break

Session 10. Panel on Regulating Organ Transplantation: Experiences from Asia

15.30 - 16.30

Contact persons: **Anant Bhan**, MD, Independent Researcher, Bioethics & Public Health, Pune, India; and **Aamir Jafarey**, FRCS, Centre for Biomedical Ethics & Culture, Sindh Institute of Urology & Transplantation, Karachi, Pakistan

Session 11. Ethics, Energy and Environment

Chair: Jayapaul Azariah, India and Darryl Macer, UNESCO Bangkok

16.30 - 16.45

11.1 Ethics of Energy Technologies

Darryl Macer, PhD, UNESCO Bangkok

16.45 - 17.00

11.2 Environment and Health: From Ethical Perspective

Xiao Wei, PhD, Professor, Philosophy Department, School of Humanities and Social Sciences, Tsinghua University, Beijing, China

17.00 - 17.15

? 11.3 Universalism and Ethical Values Affecting the Environment

Jasdev Rai, MD, Sikh Human Rights Group, UK

17.15 - 17.30

11.4 Environmental Education and Environmental Ethics of Some Philippine Food Companies as Stakeholders of the Environment

Lea Ivy O. Manzanero, Philippines Communications and Information Officer, Asia Pacific Regional Resource Center for Human Rights Education (ARRC), c/o SEACSUCs Unit 1501 Future Point Plaza 1, Panay Avenue, Quezon City, Philippines

17.30 - 17.45

11.5 Ethics of Energy Security and the Question of Fossil Fuel Dependency

Celia Thorheim, MA, RUSHSAP, UNESCO Bangkok

17.45 -18.00 General Discussion of UNESCO Project on Ethics of Energy Technologies and Updates by Chairs of Working Groups of the Project on Report Progress who are present

End of Day 2

Day 3
Wednesday, 5 November 2008

Session 12. Environmental Ethics

Chair: Darryl Macer, UNESCO Bangkok and Jayapaul Azariah, India

08.30 - 08.45

12.1 Environmental Ethics: The Case of Wildlife Animals

Shah Jahan Assanarkutty & Siti Nurani Mohd Nor, Department of Science & Technology Studies, University of Malaya, Kuala Lumpur, Malaysia

08.45 - 09.00

12.2 Saving endangered species: who owes a duty to whom and why?

Sarah Chan, Institute for Science, Ethics and Innovation, School of Law, University of Manchester, United Kingdom; and **Daniela Cutas**, Department of Philosophy, University of Gothenburg, Sweden

09.00 - 09.15

12.3 Environmental ethics – a foundation for sustainable development

Endang Sukara, Indonesian Institute of Sciences (LIPI), Jl. Jenderal Gatot Subroto No. 10, Jakarta 12170, Indonesia

09.15 - 09.30

12.4 Spiritual dimension for Indonesian inland water management: case from resolution of conflict in Lake Maninjau

Dede Irving Hartoto, Research Center for Limnology, LIPI Life Science Center, Jl. Raya Jakarta–Bogor, Indonesia

09.30 - 09.45

12.5 Building Environmental Ethics for School Students with an Economical Life-Style

Ngo Thi Tuyen, PhD, Deputy-Director, Centre for Education Technology, Hanoi, Vietnam

09.45 - 10.00

12.6 Agricultural bioethics in a perspective of endogenous knowledge for rural development in Indonesia

Ashari, Indonesian Research Institute for Animal Production, PO Box 221, Bogor; e-mail : triashar@indo.net.id, ashartri@indo.net.id

10.00 - 10.15 General Discussion

Session 13. Ethics of using animals

Chair: Jayapaul Azariah, India

10.15 - 10.30

13.1 Ethical Issues in Biomedical Research: The Primate Research Center - IPB Experiences.

Joko Pamungkas and **Yasmina A. Paramastri**, Primate Research Center at Bogor Agricultural University, Indonesia

10.30 - 10.45

13.2 Bioethics of animal husbandry in relation to culture, management and livestock use in Indonesia

Kusuma Diwyanto, Indonesian Centre for Animal Research and Development, Bogor, Indonesia; and **Yulvian Sani**, Indonesian Research Centre for Veterinary Science, Bogor, Indonesia

10.45 -11.00

13.3 Constructing “Humans” and “Animals”: an ethnographic study of meaning creation in biomedical ethics and law

W. Calvin Ho, JSD Candidate, Cornell University (USA), Senior Research Association, Secretariat of the Singapore Bioethics Advisory Committee

11.00 - 11.15

13.4 Ethical Considerations in the use of Laboratory Animals for Biomedical and Bioscience Research

Dondin Sajuthi, Ikin Mansjoer, Primate Research Center of Bogor Agricultural University

11.15 - 11.30

13.5. Expression of Recombinant Protein JSU in pGEX system: Producing the greatest good for greatest numbers - Implementation of utilitarianism principle

Endang T. Margawati and Muhamad Ridwan, Research Centre for Biotechnology, the Indonesian Institute of Sciences (LIPI), Cibinong, Indonesia

11.30-11.45 Break

Session 14. Agriculture and Ethics

Chair: Endang Sukara, Indonesia

11.45 -12.15

Keynote speech by the Minister of Agriculture of Indonesia

12.15 - 12.45 Discussion

12.45 - 13.45 Lunch

Session 15. Medical Genetics and Ethics

Chair: Anoja Fernando, Sri Lanka

13.45 – 14.00

15.1 Bioethical Aspect in Medical Genetics Research and Services

Sultana M. H. Faradz, MD, PhD; Professor, Division of Human Genetics; Center for Biomedical Research (CEBIOR); Faculty of Medicine, Diponegoro University, Indonesia

14.00 – 14.15

? 15.2 Prenatal screening and counselling in Iran and ethical dilemmas

Mansoorh Saniei*, **Elnaz Jafari Mehr**, **Saeed Shahraz**, **Ladan Naz Zahedi**, **Ala Melati Rad**, **Saye Sayar**, **Roya Sherafat Kazemzade**, and **Mohammad Reza Zali**, Shaheed Beheshti University of Medical Sciences; **Ahmad Shekarchi**, Department of Sociology, Shaheed Beheshti University;

14.15 - 14.30

15.3 Bioethical overview of congenital anomalies cases

Moersintowarti B. Narendra, Bioethics and Humaniora Unit, School of Medicine Airlangga University; Surabaya, Indonesia

14.30-14.45 General Discussion

Session 16. Ethics and biotechnology

Chair: Yanguang Wang, China

14.45 -15.00

? 16.1 Waste Disposal as Environmental Problem: Different methods of Composting Bio-degradable Waste

P. Malligeswari, S.R.M. University, Kattankolathur, Chennai, India

15.00 - 15.15

16.2 Ethical Concerns and Risk Perception Associated with Different Applications of Modern Biotechnology Applications in Malaysia

Latifah Amin¹, Jamaluddin Md. Jahi², Abd Rahim Md. Nor², Mohamad Osman³ and Nor Muhammad Mahadi⁴

¹Centre for General Studies, ²Faculty of Social Sciences & Humanities, ³Faculty of Science and Technology, Universiti Kebangsaan Malaysi, 43600 UKM, Bangi, Selangor Darul Ehsan, Malaysia, ⁴Malaysia Genome Institute, Heliks Emas Block, UKM-MTDC, Smart Technology Centre, 43600 UKM, Bangi, Selangor Darul Ehsan, Malaysia

15.15 - 15.30

? 16.3 Intellectual Property Rights in Biotechnology: Iranian Scholars' Viewpoints

Mansoorh Saniei^{a*}, and Ladan Naz Zahedi^a, Saeed Shahrzad^a, Ala Melati Rad^a, Elnaz Jafari Mehr^a, Saye Sayar^a, Roya Sherafat Kazemzade^a, Ahmad Shekarchi^b, and Mohammad Reza Zali^a

a. Shaheed Beheshti University of Medical Sciences, Iran

b. Department of Sociology, Shaheed Beheshti University, Iran

15.30 -15.45

16.4 Ethics of commercialisation of individualism and public health in genomics: some reflections on nutrigenomics

Mina Bhardwaj, Cesagen, Cardiff University, UK

15.45 -16.00 General Discussion

16.00 -16.15 Break

Session 17. Ethics and Disasters

Chair: Alireza Bagheri, Iran

16.15 -17.00

17.1. Panel on Ethical Issues in Post Disaster Research: Taking the Agenda Forwards

The Working Group on Disaster Research and Ethics (WGDRE) for the Asian Bioethics Conference 2008: Aasim Ahmad, Aamir Jafarey, Darryl Macer, Sandya Srinivasan, Nandini Kumar, Sriyakanthi Beneragama, Chandrani Jayasekera, Saratha Edirisingha, Dananjaya Waidyaratne, Sisira Siribaddana, Leonardo Catro, Sleman Sutaryo, Athula Sumathipala

17.00 - 17.15

17.2 Arsenic contamination of groundwater in Asia: health implications and ethical perspectives

Abhik Gupta, PhD, Dept. of Ecology & Environmental Science, Assam University, Silchar – 788011, India

17.15 - 17.30

17.3. Ethical Issues in Disaster Research and Management

Konstantin G. Gurevich, MD, PhD, DrSci, Prof; and

Ekaterina G. Fabrikant, MD, Moscow State University of Medicine and Dentistry (MSUMD),
Russia

17.30 -17.45

17.4. Post Tsunami Rehabilitation in Aceh: issues on health management of barrack

Zinatul Hayati and **Saifuddin Bantasyam**, MD, Faculty of Medicine, University of Syah Kuala,
Banda Aceh, Indonesia

17:45 -18.00 General Discussion

Conference Dinner and Cultural Evening

Day 4

Thursday, 6 November 2008

Session 18. Health and Ethics

Chair: Bakhyt Sarymsakova, Kazakstan

08.30 - 08.45

18.1 Principles of Patients Autonomy from Malaysian Perspectives

A. A. Rosniza , MD, J Rogayah MHPed, AMH Zabidi - Hussin FRCPC, School of Medical
Sciences, Universiti Sains Malaysia, Kelantan, Malaysia

08.45 - 09.00

18.2 Ethics Controversy of Death Choice in Chinese Hospice

Lifang Zhaolili, China Capital Medical University

09.00 - 09.15

18.3 Ethics and Obesity: Am I my Obese Brother's Keeper?

Leonardo D. de Castro, PhD, University of the Philippines

09.15 - 09.30 General Discussion

09.30 - 09.45 Break

Session 19. Panel on Islamic Bioethics

Chair: M. K. Tadjudin, Indonesia

09.45 - 10.00

19.1 Islamic bioethics and its dilemma

Ahmed Binsumeit Khitamy Badawy, Chief Biomedical Technologist, Dept. of Microbiology,
College of Medicine & Health Sciences, Sultan Qaboos University, Oman

10.00 -10.15

19.2 Maqhasid Syaria as basic reasoning on implementing syaria in bioethics

Munawar Ahmad, UIN Sunan Kalijaga, Yogyakarta, Indonesia

10.15 - 10.30

19.3 Perfecting the role of shariah-compliance in converging technologies: the case of bionanotechnology in Malaysia

Muhammad Nizam Awang, Faculty of Syariah and Law, Islamic Science University of Malaysia, Nilai, Negeri Sembilan, Malaysia

10.30 – 10.45 Break

10.45 – 11.00

19.4 The need of fatwa for contemporary medical issues: a moslem medical practitioner's view

M. Sajid Darmadipura, Bioethics and Humanities Unit, Airlangga University, School of Medicine, Surabaya, Indonesia

11.00 -11.15

19.5 Animals in Islamic Bioethics

F. B. Sekaleshfhar, MBBS, University of Manchester, UK

11.15 - 11.30

19.6 The Flood and Human-Environment Relation in Post-Disaster Muslim Community: An Assessment for Sustainability

Fuad Faizi, Center for the Study of Islam and Social Transformation, State Islamic University (UIN) Sunan Kalijaga, Yogyakarta, Indonesia

11.30 - 11.45

19.7 Title to Come

Bagher Larijani, Vice-Chancellor, Tehran Medical University, Iran

11.45 -12.00 General discussion

12.00 - 13.00 Lunch and General Meeting of Asian Bioethics Association

Session 20. Ethics Review Committees

Chair: Abnik Gupta, India

13.00 - 13.15

20.1 Exploring the Structure, Processes and Principles of Ethics Review Committees

Sriyakanthi Beneragama and Yin Thet Nu Oo, Sri Lanka

13.15 -13.30

20.2 Developing a Capacity-building Approach to Ethical Review in Central Asia

Bakhyt Sarymsakova, MD, Central Asian Centre on Health Research for Development, National Research Center for Mother and Child Health, Astana, Kazakhstan

13.30 -13.45

20.3 Uzbeki doctors and confidentiality issues

Feruz Zagirdinova, DSc, Associate Professor, Ethics and Aesthetics Department, National University of Republic of Uzbekistan.

13.45 -14.00

20.4 National Bioethics Committee in Tajikistan

Firuz Nasyrova, PhD, Bioethics Committee under Tajik Academy of Sciences (BC TAS), Professor, Institute of Plant Physiology and Genetics of the Tajik Academy of Sciences (IPPG TAS), Dushanbe, Tajikistan

14.00 -14.15

20.5 Ethical Review of Research: Experience of a “National” Review Committee

Anoja I. Fernando, BA, MBBS, FRCP, Faculty of Medicine, University of Ruhuna, Sri Lanka

14.30 -14.45

20.6 Institutional Review Boards, Worldwide

Jayapaul Azariah, PhD, President, Asian Bioethics Association

14.45 - 15.00

20.7 Guidelines For Embryonic Stem Cell Research at Sindh Institute of Urology and Transplantation (SIUT)

Tashmeem Razzaki, Professor Molecular Biology/Biotechnology, Sindh Institute of Urology and Transplantation (SIUT), Karachi-74200, Pakistan

15.00 - 15.45 General Discussion

15.45 -16.00 Break

Session 21. Panel on The Implementation of ELSI Policy in Biobank Development and Ethical Governance of Innovative Medical Research

Chairs: Yanguang Wang and Duu Jian Tsai

16.00 -17.15

21.1 The Communication of Law & Science in Innovative Medical Research

CHEN, Ju-Yin and **FAN, Chien Te**, Professor of Law & Director, Bioethics and Law Center, National Tsing Hua University, Taiwan

21.2 Structuring Group Consent Mechanisms for Large-Scale Biobanks with Community Building and Advancing Health Literacy

TSAI, Duu Jian, Professor & Director; Graduate Institute of Humanities in Medicine

21.3 The Legal Issues Concerning Biomedical Research in China

1: Jiao Hongtao, Associate Professor of Law & Sub Director; Institute of Science and Technology Law, Law School, Huazhong University of Science and Technology, Wuhan, 430074, P.R. China

2: Luo Min, Research Assistant; Medical Ethics & Law Center, College of Law, Huazhong University of Science and Technology, Wuhan, 430074, P.R. China

21.4 The Contemporary Medical Ethics Governance and Related Issues in China

1: Wu Chunyan, Senior Lecturer & Office Director; Medical Ethics and Law Center, College of Law, Huazhong University of Science and Technology, Wuhan, 430074, P.R. China

CHEN, Yu Chia, Researcher and Office Director of SEA

Session 22. Medical Ethics Education

Chair: Leonardo D. de Castro, the Philippines

17.15 – 17.30

22.1 Teaching Biomedical Ethics to the Undergraduates at a Medical University in Pakistan – A One Year Experience

Faisal Ghani Siddiqui, MBBS, FCPS, PGD-Bioethics, Assistant Professor of Surgery, Liaquat University of Medical & Health Sciences, Jamshoro, Pakistan

17.30 – 17.45

23.3 Prima-faciism in problem-based learning for medical students in Indonesia

Agus Purwadianto, Faculty of Medicine, University of Indonesia

17.45 – 18.00

23.6 Teaching Virtue through Role Models in Medical School

Sintak Gunawan, MD., MA in Applied Ethics, Indonesia

End of Day 4

Day 5

Friday, 7 November 2008

Session 23. Bioethics Education

Chair: Darryl Macer, UNESCO and Soenarto Sastrowijoto, UGM

08.30 - 08.45

23.1 Ecofeminism in Environmental Education: a bioethics education

Nurul Kamilati, M.Pd., M.Ed., Balai Diklat Keagamaan, Semarang, Indonesia

08.45 - 09.00

23.2 A Faculty Development program in Bioethics to encourage infusion of ethical thinking into teaching activities

Dena Hsin-Chen Hsin and

Chao-Yu Chen; Center of Faculty Development, China Medical University

09.00 - 09.15

23.3 Bioethics Goes To School: module design for high school students in Indonesia

Sherly Kurnia Dewi (Third year student), Biotechnology Faculty, Atma Jaya Indonesia Catholic University, Jalan Jenderal Sudirman 51 Jakarta 12930 Indonesia;

Elizabeth Citra Wening Prasanti (fourth year student), English Department Faculty of Education, Atma Jaya Indonesia Catholic University, Jalan Jenderal Sudirman 51 Jakarta 12930 Indonesia

09.30 -09.45

23.4 Blogs: alternative media to teach bioethics

Eka Sulistiyowati, MA, lecturer, Faculty of Science and Technology, Islamic State University Sunan Kalijaga (UIN Sunan Kalijaga), Jogjakarta

09.45 - 10.00

23.5 Evaluation of feedback from Museum Displays on Bioethics and Biotechnology

Amarbayasgalan Dorjderem, and Darryl Macer, UNESCO Bangkok

10.00 - 10.15 *Break*

10.15 - 10.30

23.6 Implementing UNESCO Bioethics Education Regional Action Plan

Darryl Macer, PhD, UNESCO Bangkok
