I am an Undergraduate Student of the Faculty of Fisheries and Marine Science majoring in Technology of Fisheries Product at Diponegoro University in the entry year 2009. I was given an award as one of the Five most Outstanding Students in Diponegoro University 2013.

I am an active person in several campus organizations such as English club, Student Executive Council of the Faculty of Fisheries and Marine Science, The Student Choir, and many other extra organization campus, so that way I Join in seminars, workshops, or trainings. Such participation is a rich experience.

Participating in International Events is one of my passions, it makes me get more friends, knowledge, and great experiences. My first journey was proved by my participation in the Asia Pacific Model United Nations Conference which has held on July 2012 located at La Trobe University, Melbourne Australia. Then secondly, in The Fifth UNESCO Youth Peace Ambassador International Workshop Training which has held in Bangkok and Kaeng Krachan, Thailand. The Third Youth Looking Beyond Disaster Forum is my Last international Youth Forum activity which was held in University of Hyogo, Kobe, Japan.
