I'm active in social activity. I have an NGO team we called "KarangTaruna" in Jakarta (Focus for Disaster management and Health Care Emergency Responses) and "TNG's Club" (Focus for Sharing of Youth Problem) in Bogor-West Java Indonesia. I think I'll follow this event very exactly.

I have joined LBD Padang – West Sumatra on 7th-10th October 2013. I have action plan about "Health Care Emergency Responses and Disaster Management" because I'm a nursing student and I can promote my city to this forum.
