

**Course materials for the  
Joint AUSN-Turkish Bioethics Association Intensive Bioethics Training  
Conference: Bioethics Empowering the Public and Professionals**

**Ankara, Turkey, 4-7 June 2016**

Venue and Hotel: Gulhane Military Medical Academy (GATA)

Email to: [hasanerbay@yahoo.com](mailto:hasanerbay@yahoo.com) and [provost@ausn.info](mailto:provost@ausn.info)

**Applicants should also bring a laptop/hard drive with capacity for 170Gb of video lectures and files. An electronic folder including large files will be provided at the start of the workshop (and those participants who have an Apple computer or iPad may like to get the iBook edition of the files *Bioethics is Love of Life* and *Cross Cultural Introduction to Bioethics*, which are interactive rather than the pdf). Participants will benefit from using a laptop if they wish to view the materials on their personal computer, but all presentation materials will be projected on the screen.**

**4 June**

Keynote lecture "*The Evolution of Ethics Committees through Cross-cultural Communitarianism*" of Prof. Darryl Macer, President, AUSN at the TBA Symposium;

Interactive learning session at the Medical History Museum of Gulhane.
