

INVITATION

ONE DAY WORKSHOP ON POST GRADUATE DEVELOPMENT – MASTERS AND PhDs

The eThekweni Municipality MILE, DST-NRF-IKS Centre in UKZN in partnership with the American University of Sovereign Nations (AUSN), USA and Eubios Ethics Institute, (EEI) Thailand would like to invite you to attend a one day workshop on post graduate development in the following fields – **Bioethics, Sustainability, Public Health, Business Administration, Healthcare Administration, Community and Peace, Indigenous Knowledge Systems (IKS), Intercultural Development, and other disciplines**. The objective of the workshop is to offer prospective Masters and PhD candidates and students an opportunity to learn about the latest ideas in these fields, and how to apply them to their life goals and career development. Furthermore, the participants will also learn about what decolonized education means whilst sharing perspectives and wisdom from other cultures and disciplines. The workshop will be facilitated by Professor Darryl Macer President of AUSN and Director of EEI, Professor H. Kaya and Dr. M. Chinsamy both from the DST – NRF-IKS Centre in UKZN. Your participation at this workshop will be valuable for your research and scholarly engagements. The aim of the workshop is to lay a foundation for students to become future leaders in Academia, the business world, policy makers and indigenous leaders. The AUSN has cooperation agreements and collaborations with many universities and Academic Centres of excellence around the world.
