

Ms. Maria Lourdes S. Chiquito, (The Philippines)

(ms.louchiquito@yahoo.com)

I am an advocate of Education, Health and Law, and I have a Bachelor's degree in Nursing. Currently, I am studying Law at the University of Perpetual Help System DALTA. Every day, I am known as a follower of God, a dreamer, a daughter, a sister and a regular student.

Aside from studying for many years, I am a well-organized host in different schools and community events, services and community studies as well as an experienced volunteer. I'm also a certified foodie and a traveler, and I love to laugh to talk. A lady who you love to hate. My aim is to become an Ambassador of goodwill and launch my own charity.

“We didn't achieve our goals to brag, but to show the world how it is done.”
