I am 21 years old, and a last year student of Faculty of Fisheries and Marine Sciens, Diponegoro University, Semarang, Indonesia. My hometown is located in Desa Prigi RT 45 RW 009, Kecamatan Watulimo, Kabupaten Trenggalek. I live on Desa Tembalang Jl. Sirojudin Gg. Arjuna No. 08 RT 003 RW 003, Kecamatan Tembalang, Semarang 50275, which is the place of my boarding house during studying in Diponegoro University.

I am an active student. I have participated in study group of fisheries resources utilization and HIMPATINDO (Himpunan Perikanan Tangkap Indonesia). One of my passions to giving care to others, such as care to education, social, culture, and environment. To be a youth ambassador is my step to giving contribution in take action and applicative it and join the international event such as 7th Youth Peace Ambassador in Nepal. This is good event from Eubios Ethics Institute and collaboration with Youth UNESCO Club in building the peace in the world through empowering youth. Through the Youth Peace Ambassador Program will give more outcomes which we can get, not only new experience but also get the friends, new insights about the educational, social and other. We would like to exchange the ideas, relation, link, communities, and especially we can study about the culture of peace from differences countries. I want to promote our community from my country Indonesia and hope it can be inspiring people.

My friends and I have an action plan incorporated in Kresna Youth Peace Generation, in Semarang, Central Java, Indonesia. Established in 2012, we have become a leading resource for sharing the awareness of unconditional love and concern about environment, social, and education. Kresna Youth Peace Generation with the mission of inspiring people to love and peace and create peace-loving youth generation to environment, social, and education. Our vision is to assist people by building a practical foundation and understanding of love and peace within individuals and society as a whole. Our programs further the awareness and application of unconditional love through education, environment, and social. Our intention is to explore a variety of creative activities and presentations that enhance unity and self-conscious expression while promoting love and respect to all aspects of life. In order of priority.

Our YPA7 Program is **Save Shark From Hunting**. This Program to educate students to save the shark from illegal fishing,. The program also includes breeding sharks.
