I am known as P Man. I was born on 7 August in Ma Madras, Jangkat, one of the beautiful village in the world, and one of silent province in Sumatera island. I was born in a religius and humanis cultural family.

I am a postgraduate student of Business Management in Muhammadiyah Prof Dr Hamka University, Indonesia. I am general secretary of Muhammadiyah's Student Association Central Board ( DPP IMM). Muhammadiyah's Students Association is a youth organization in Indonesia, which was established on 14 March 1964 with the aim of seeking the establishment of Islamic scholars in order to achieve the noble goal of Muhammadiyah.

Muhammadiyah is an organization that already exists since one hundred years ago and today Muhammadiyah is one of the largest community organizations in Indonesia which is evidenced by its charitable efforts such as 172 colleges, there are 400 hospitals and health institutions, there are two hundred boarding schools and eight thousand schools until high school.

I'm interested to join the Youth Peace Ambassador programme because I think the program is very useful and we can share the experiences from different cultures and countries, and this program builds good networks to make peace and humanity in the world.
