

Mr. Rimesh Khanal, (Nepal)

I am Rimesh Khanal, coming from Nepal. I'm 21 years old. I am Youth Peace Ambassador, and I've attended the Fifth and Sixth Youth Peace International Training Workshop, Thailand in November 2012, and May 2013 respectively. Moreover, I've also attended the Looking Beyond Disaster Youth Forum in Sendai -Japan, in August 2012.

I am the Founder/President of Youth's UNESCO Club. Although I am a Business major, I love the work that's benefits communities and I want to use the Business skill for Peace Building and Disaster Management. This is why I established the Youth's UNESCO Club, and together with my team, we were able to organize our first event: the Youth Peace Festival in Nepal from April 10th to April 14th 2013.

Regarding my personal hobbies I always love to meet new people with vision and I love travelling. I want people to remember my name in the future when I will get old. I believe in Simple Living High Thinking. I love my country and want it to be among the most famous in the world. This is why I am ready to serve my country by any means.
