You can call me Rinaldi, and I come from Padang city, West Sumatra province, Indonesia. I was born in Jakarta on 24 December 1993. I am studying at the Law Faculty, Andalas University in my 3<sup>th</sup> semester. For now, I am active at Agam Children Forum (Forum Anak Daerah Agam) as a facilitator.

I'd like doing social activities. When I was at Senior High School, I always followed Agam Children Forum and Sumbar Children Forum, and I have attended Indonesia Children Congress X (2011).

Now I join the Seventh Youth Peace Ambassador Workshop Training in Kathmandu – Lumbini Nepal. Hopefully, “everyone in the world can live peacefully”, and could gain great ideas, knowledge and education about peace. It's my first time to join it, and I'm so happy.
