I was born on 6 June 1982, and I am the last child of a family of five siblings with a university degree in Human Sciences. As a Nigerian Youth, I am industrious, self-driven, creative, determined, tenacious and hopeful as eminently exhibited in my day to day life.

As a university student, I had several Certificate awards such as:

- "Best Administrative Advocate of Nigerian Students Certificate Award 2006" from Delta State University.
- "Dele Giwa Law Chambers"
- "Delta State University Senior Advocate of Nigerian Students in the Struggle Against Injustice 2006" (SANS)

In 2009, I had a Claron call to serve my Father's Land as a young graduate: that is the "National Youth Service Corp". This lead to a "Certificate of Selfless Service to my Fatherland". In 1995, I was the Senior Prefect to my School, the Rev Father Fintans Memorial Secondary School. From 1986 – 1993, I was the President of Warri Catholic Dioceses Altal Boys. In 2010, my love for humanitarian service took me at the Third Youth Peace Ambassador International Training Workshop. Two years after the completion of the action plan called "Peace Mindset/Prevention of Violence", I received a "Youth Peace Ambassador International Certificate."

I am so thankful to God for the Divine Grace that bestowed on me. This allows me to make an impact in the society, share knowledge, values, and skills in humility to the grassroots youth Living together in Dignity with respect to culture. As a result, I am inspired to do more work for the global advancement.
