WHY?

❖ After WW I , people swore never again to fight.
But WW II happened and many people were killed.
And the tragedy has become repeated now.
Also in order not to repeat the tragedy, more
persons should get to know the danger.

WHY WE SHOULD DO

❖ We participated in the Fourth UNESCO Youth Peace Ambassadors Training Workshop and got to know thoughts of persons of various countries.

❖ We make this action plan in order to appeal against the danger of WWIII which is likely to happen now.

A decorative white floral border with intricate scrollwork and leaf patterns surrounds the central text. The border is symmetrical and frames the entire content.

THE SITUATION OF PRESENT IRAN.
