

# Messages from Hiroshima's A-Bomb Survivors

**RINA OSEDO**  
**MANAMI MURAKAMI**  
**TSUYOSHI SOTOYA**

# What we are going to do?

- Record A-bomb survivor's stories
- Make a short video with English subtitle
- E-mail the video to foreign schools
- Upload the video on youtube with the link to UNESCO's homepage

# Objectives

- Provide foreign students an opportunity to think about the real effects of A-bomb
- Receive the feedback from the audience about the movie in the form of Haiku (in association with Tsuyoshi's action plan)

# Why us?

- As Hiroshima citizens, we have a responsibility to tell the fear of A-bomb to the world
- We can raise an awareness of peace through the short video of A-bomb among young students

# Action Plan's Agenda

- April : Make contact with A-bomb survivors
- May : Interview them
- June : Make the video and upload it on YouTube with English subtitle
- August : Send youtube's address to foreign schools by E-mail
