what is CrPP

The Caravan Peace Project aims at reducing plastic bag usage by caravan campaigning at several schools, universities, and places through cultural events in Pekanbaru city, Indonesia.

Caravan Peace Project 

GOAL AND OBJECTIVES

Realize a paper bag campaign by encouraging youth to take wise actions in order to create peace, sustainable living through sports and music.

Reducing the plastic bag usage and replacing it to the paper bag.

Possible Programs

- 1) Create a UNESCO Club to recruit and maintain a team
- 2) Buy 1000 paper bags which will be distributed at schools, universities, and cultural events

PROBLEM STATEMENT

- 1) Too many plastic bags in Pekanbaru which creates environmental degradation
- 2) Lack of knowledge among youth about the environmental consequences

Implementation

- 1) Recruit volunteers among university students, citizens and youth.
- 2) Collaborate with other environmental NGOs from Pekanbaru, western Indonesia for joint programmes
- 3) Start implementing the campaigns during March, April and May.
