

# PROJECT PEACE2PEACE

AKINYEMI, Oluwayinka John (Nigeria)

# Background

- Emergency of Nigeria as country originated from Amalgamated of Northern and southern protectorates in the year 1914 by Lord Lugard (British) Governor General of Nigeria. That was during the colonial era and scramble for the lands in Africa by British, French, Portuguese etc, these colonial masters were using occupied area to get slaves and other resources. After the eradication of slaves trades worldwide the British decided to unite the northern and the southern areas together because of fear of losing it to their immediate neighbour the French who occupied the boundaries area of Nigeria. Eventually the British gave Nigeria Independence in the year 1960.
- The three main tribes of Nigeria were Hausa in the north, Ibo in the east and Yoruba in the west.

# Amalgamated of Northern and southern protectorates in the year 1914 by Lord Lugard

## AIM

To eliminate tribal stereotypes in Nigeria through peace education.

## OBJECTIVES

- >To suggest to the government to inculcate the peace education into the both primary and secondary education curriculum.
- >To educate the students at both primary and secondary schools in Nigeria about the peace education.

# OBJECTIVES (Cont.)

- >To eliminate the bad orientations, students have towards other tribes.
- >Public enlighten for these students to inspire them to be more positive about the change in their communities and the world.
- >To teach to tolerate each other irrespective of the regions and backgrounds.

# METHODOLOGY

- Copies of this friendly action plan shall be submitted to the state ministry of educations for the official and formal approval, the principal of these schools shall be approached for the time slot and the like minded volunteers shall be formed to aid the projects.
- Also, Project peace2peace shall also be visiting the kid camps under this range to educate the important of culture of peace in the communities.

# TARGET GROUPS      TIME FRAME

This action plan basically focuses on those students in primary and secondary schools irrespective of their age differences.

The pilot test of this project shall be immediately commenced in schools at a local government area; the outcome in 6 weeks shall determine its time frame.

## EXPECTED OUTCOME

At the end of the peace education, students will be more responsible citizens who care for peaceful coexistence of all members of the community and relates with all elements of the society without bias or preference to ethnic orientation, religions, backgrounds etc.
