(eldha_cmp@yahoo.com)

Hello my name is Almira Elmida Kustari, but you can call me Eldha. I'm 19 years old, I'm studying communication with a focus in Public Relations, at the Atma Jaya University in Yogyakarta, Indonesia. I'm a social and also talkative person, so in the future I want to work in Public Relations. A Public Relations professional is a person who bridges the company to society, and who should has good relations with mass media and other companies. Besides that, I have some hobbies such as hunting photos, travelling and acting. Also. I join with some agency of modeling and management artist.

My purpose to join with this forum is I want to know more how to mitigate disaster and to gain knowledge about that.
