(haflaf.leste@yahoo.com)

My name is Haflah Leste Distincta. I was born in Jakarta, where I currently live. I'm 16 years old and a Senior High School student who really loves elephants. My hobbies are swimming, reading, writing, and hiking.

I have been joining the Tanah Air Theatre, representing Indonesia at the 11<sup>th</sup> World Festival of Children's Theatre in Lingen, Germany in 2010.

Now, my concern is about peace and environmental conservation, with motion nature lover "GRAPALA31". You can contact me at [haflah.leste@yahoo.com](mailto:haflah.leste@yahoo.com) for more info.
