

TOUR SHARING THE MEMORIES OF THE GREAT HANSHIN EARTHQUAKE IN 1995

Sho Kawakami from Kansai University

We need to...

- To share and keep the memories of disaster to prevent so much harm from future ones
- To get deeper understanding of how disaster happens
- To empower the victims and affected community by disaster

My Action Plan is

A Tour sharing the memories of
the Great Hanshin earthquake in 1995

Tours sharing the memories

- There are some tours sharing the memories of sad occurrences in human history such as disaster and wars

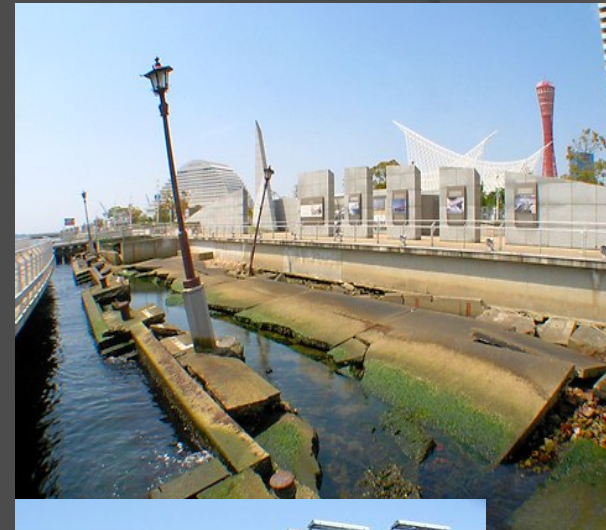

Examples

Chernobyl Disaster

Existing sites for Kobe tourism associated with the 1995 Earthquake

- ◎ The Port of Kobe Memorial Park
- ◎ The Higashi-yuenchi Park
- ◎ The Hanshin express road pier
- ◎ Center for Disaster Management Education

The process of organizing

- Planning tour by local students
- Fund raising
- Advertising for tourists from overseas in the website and hotels
- Having tour and evaluating

Goals

- Tourists ... Knowledge of earthquake
- Local students... Greater knowledge of earthquake and deeper relationship with local people
- Local people ... Remembering earthquake

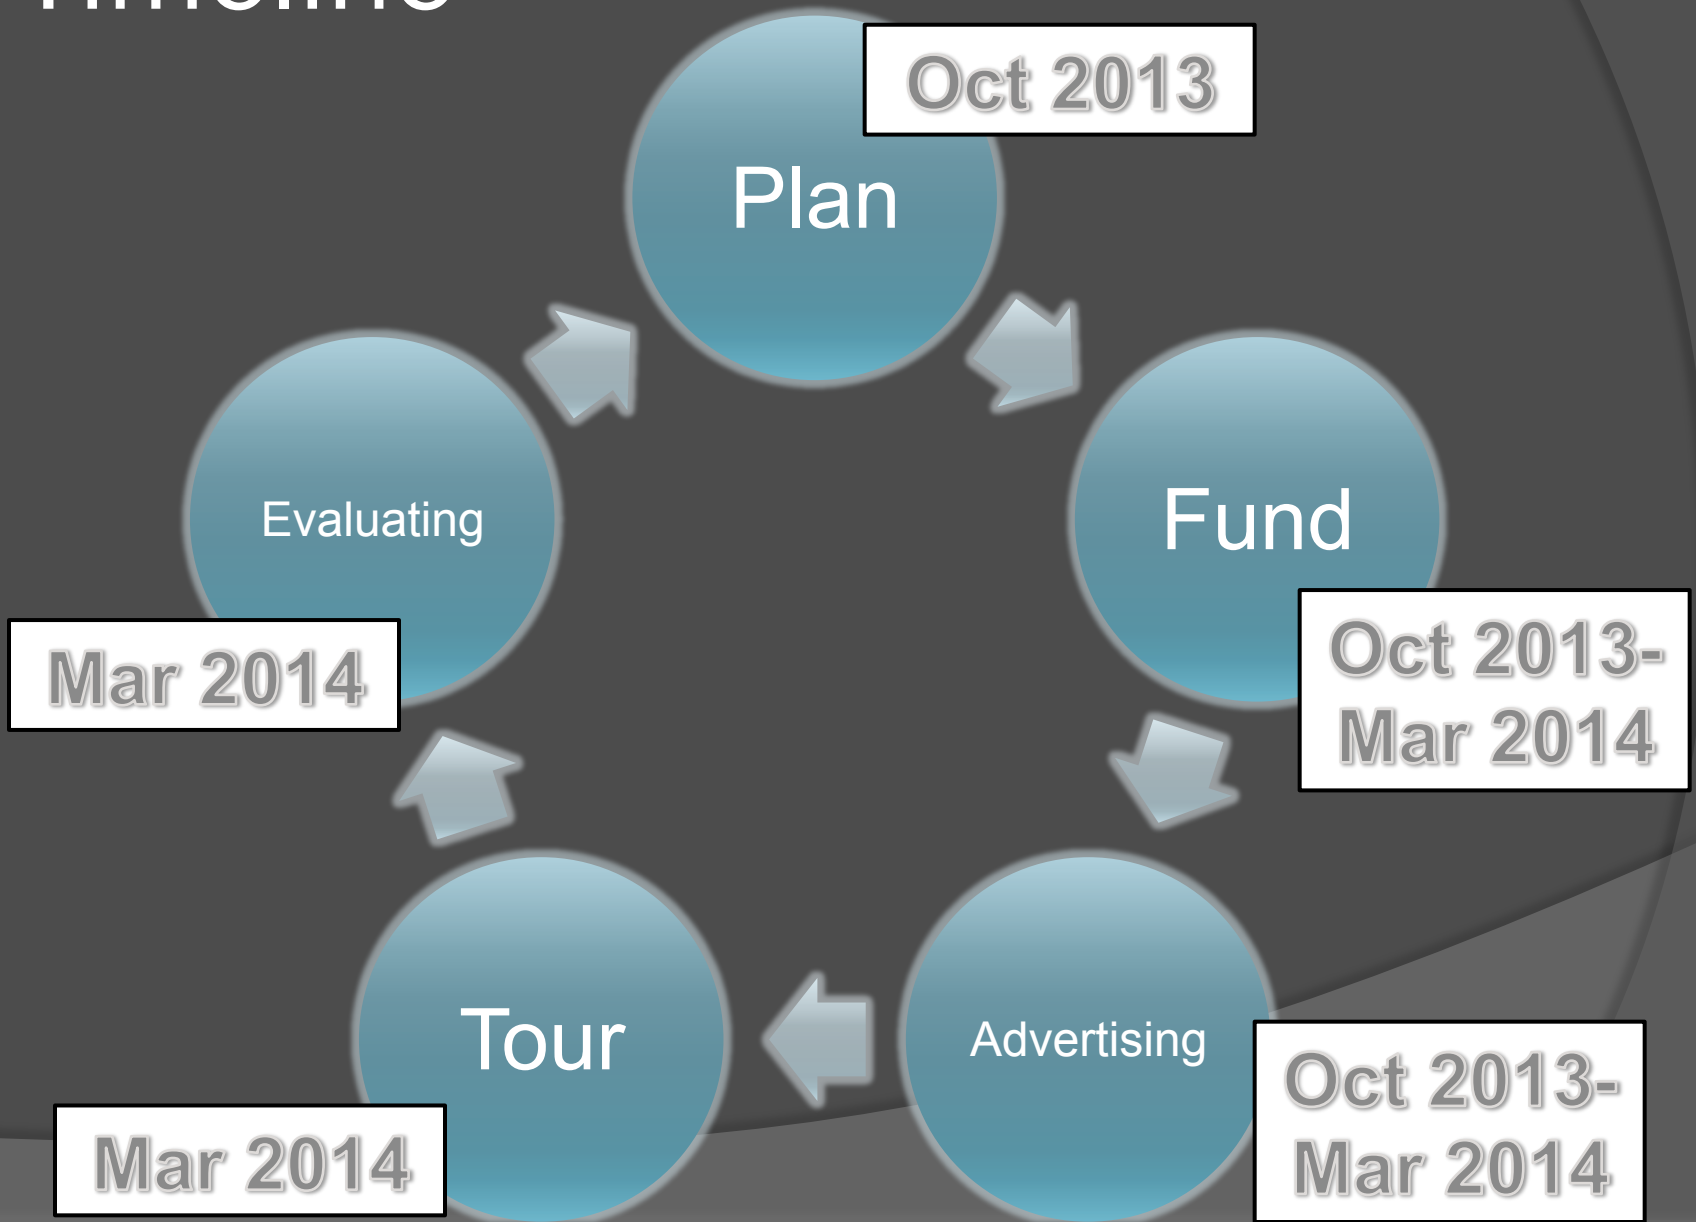

Difficulties

- Victims may be negative to share the memories of disaster
- Few participants
- Fund raising

Further options

- Photo exhibition
- Cooperating with tour company
- Cooperating with university
- Organizing the tour in Tohoku
