... ingin mempunyai kendaraan yang luar biasa...
 ... ingin membuat orang tua saya bangga dan ingin memenuhinya...
 ... ingin menjadi orang yang sukses...
 ... ingin mencari pekerjaan baru...
 ... ingin membuat orang tua saya bangga...
 ... ingin mencari pekerjaan baru...

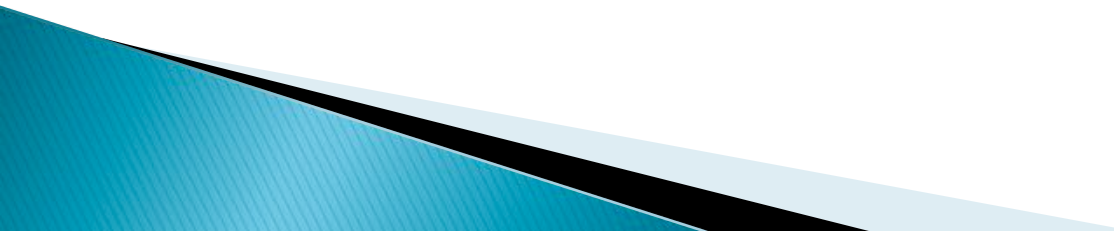

Completed action plan

- ▶ The opening of Vocational School, SMK Diva Tunas Bangsa
 - ▶ Creating home page:
www.accesstoeducation.web-id
 - ▶ Creating video: <http://www.youtube.com/watch?v=H3WA0FQaRiM>
 - ▶ Land ownerships for school building
- 

Our School: Our Dream

Background

- ▶ Bogor is one of the vulnerable areas to natural disasters (landslide and earthquake).
 - ▶ Children do not have access to education. They end up in early marriages or work
 - ▶ School buildings are few or unavailable
 - ▶ Legal permit of the school is important
- 

Background

- ▶ Bogor is one of the vulnerable areas to natural disasters (landslide and earthquake).

Children do not have access to education.
They end up in early marriages or work

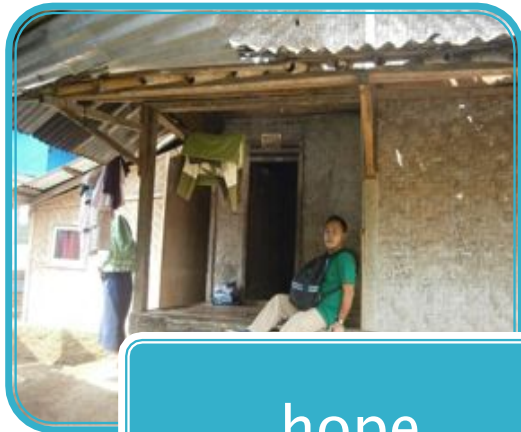

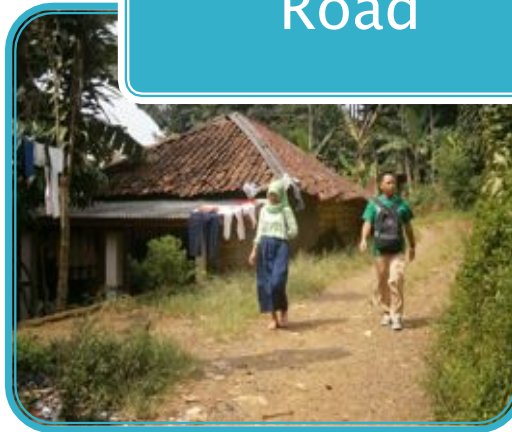

School buildings are few or unavailable

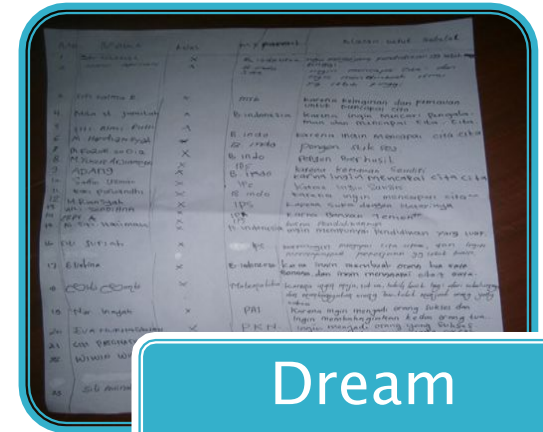

Legal permit of the school is important

hope

Road

Dream comes true

The aim and objective

- ▶ Aim: providing free education access to less fortunate children in the disaster area
- ▶ Objective:
 - To have school building
 - To have legal permit of the school
 - To provide free education access to less fortunate children

Target of the program (Numbers)

- ▶ Orphan : 20
 - ▶ Child labor : 50
 - ▶ Children coming from very-low income family : 50
- (14 - 18 years)

Timeline (2013 – 2016)

No	Activity	Year
