My Project

- ◉ Seminar & Training with theme “Developing a Culture Of Disaster Awareness and Preparedness.”
- ◉ Seminar-training will be given to children and women in West Sumatra.
- ◉ Volunteers will be recruited.
- ◉ Private companies will be asked to sponsor the program (to be identified)

My Project

- The children and women of West Sumatra will have earthquake drills and other disaster preparedness activities.
- Before the seminars will be given, a baseline data on children and women disaster awareness and preparedness will be generated.

Objective

- To educate West Sumatra children and women on disaster preparedness and other related issues.
- To help the community decrease human casualty and injuries.
- To empower West Sumatra children and women and have them accept responsibility for their own safety and lives.

Implementation Strategy

- ◉ Design a survey instrument for data gathering.
- ◉ Design seminar module or program
- ◉ Seek funding from private companies
- ◉ Ask for volunteers
- ◉ Training of volunteers
- ◉ Coordinate with local community leaders.
- ◉ Conduct seminars
- ◉ Evaluate program
