

# Mr Ranjan Aryal (Nepal)

(Email: [ranjan.aryal@heri.org.np](mailto:ranjan.aryal@heri.org.np))

An Environmental Engineer with experiences on Environmental Assessment. Till date, he has completed numerous environmental assessment studies on various sectors such as Roads, Hospital, Hotels and Industries. He has already worked with the Government of Nepal and Donor agencies.

As a young Environmentalist, he advocates Sustainable Development Goals and youth involvement in Natural Resource Management, Disaster Risk Reduction and Humanitarian Activities.

His interest of research is Water Nexus. He is passionate on studying water resources at his community and connecting communities with resource management, economy improvement and developing resilience.

Mr Aryal is a youth parliamentarian in Asia Pacific Youth Parliament of Water (APYPW) at Republic of South Korea and country co-coordinator for Nepal at Youth Global Network (YGN), Bangladesh, and a Youth Looking Beyond Disaster Ambassador.
