Assalamualaikum,, peace be upon us,,

Hello friends! Nice to see you during a great moment in YPA6. In Indonesian metaphore, we say “Tak Kenal, maka tak sayang” which means no introduction, no love. So I’ll let you love me. I’m Dita or you can call me DD. I was born on March 23th 1992, in Wonosobo City, one of the subdistricts of Central Java during the Ramadhan Month. Sometimes I act firmly, and people think I’m like “Cek Gu” which means Teacher in Malay language. I have been living in Yogyakarta since the Junior High School at Madrasah Mu’allimaat Muhammadiyah, the Islamic Boarding School.

I am very glad to participate in this forum for peace and get so valuable experience and inspiration to work for peace. I would like to thank my friends who supported me to represent our organization, the Student Executive Board of Educational Sciences Faculty, at State University of Yogyakarta. This allowed me to make new kind friends here: Risma, Tiar, Hafla, Nabila, Keke, Dita, Faiq (Indonesia), Raeesha (Nepal), Monique dan Gail (Philipine), Yasmin, Ameer, Shahiq (Malaysia), BunRong and Sam (Cambodia), Morenika, Samson (Nigeria), Diamond and Khew (Thailand), Marco and Henry (Canada), Yoshi (Japan), Jack (Taiwan) and so many that I can’t mention one by one.

I promised myself: “DD, it’s your great moment! You have to dig all the things up there, learn and share ideas for peace with each other, and spread everything you get out of this! I have an important role to spread out the peace through primary education, and I’ll not let it in vain! I would be very glad to give my contact details: facebook (Dimas Ardita) or my email (arditadimas@gmail.com).
