

## Ms. Rizqie Oktanti Triandari, (Indonesia)

My name is Rizqie Oktanti Triandari, my friends call me Kiki. I was born in Magelang, a tiny town in Central Java Indonesia. I have 3 brothers and I am the only daughter in my family. My father passed away eight years ago. I have wonderful mother who always supports me every time. My family is everything for me. Now I am studying English Language Education at Yogyakarta State University, in the Faculty of Languages and Arts. I like teaching. I want to be a teacher as my parents want me to be as well.

I am cheerful person. I don't like having enemies in my life. I want to make a lot of friends around the world, that's why I joined the YPA6 program in Thailand. I hope I can share my experiences to my family, my friends, and also to my organization and other Indonesian people.
