

Mr. Muhammad Fajar Nugraha, (Indonesia)

(nugraha.muhammad.fajar@gmail.com)

I'm Muhammad Fajar Nugraha from Indonesia, 21 years old and already graduated from the Indonesian Ministry of Finance, College of Economics. Before that, I spent about 1,5 years at University of Indonesia, the Faculty of Social and Political Science.

What I do right now is a freelancer in a consultancy company, videography making, therefore, I have more opportunities to travel than before, when I had a fix job. I am concerned about education and my objective is to empower youth to do something better in their society.
