

Tomorrow's Leaders Summit

“Education, Sustainability & The Future
- Towards Innovative Societies”

**Action plan for
UNESCO
Prepared by
Nordin Abdullah**

**PEACE IS THE ABSENCE
OF CONFLICT**

**MOST CONFLICTS ARE
DRIVEN BY ECONOMIC
FACTORS**

**ECONOMICS ARE
CHANGING FROM THE
INDUSTRIAL/RESOURCE
DRIVEN ECONOMICS**

TO THE INFORMATION,
KNOWLEDGE &
INNOVATION ECONOMICS
WHICH ARE NOW UPON US

AS THE NATURE OF
ECONOMICS IS CHANGING,
SO WILL THE NATURE OF
CONFLICT, SO WILL THE
NATURE OF PEACE HAVE
TO CHANGE

**THERE IS A NEED TO
DEVELOP LEADERS THAT
UNDERSTAND THE IMPACT
OF THESE CHANGES**

A Series of Stakeholder Roundtables in 6 regions around the world

An Annual Summit to be held
in Putrajaya Malaysia between
the 8 -11 of November 2012

The further development of related communities through related social media while utilizing tradition media for general promotion

This action plan will take this program up until December 2012 with two key outputs

- Tomorrow's Leaders Summit Report
- The Tomorrow's Leaders Summit Putrajaya Declaration as a pre-policy document to be submitted to all relevant governments and agencies.
