

Ms. Rizqa Devi Anazifa, (Indonesia)

Hello, my name is Rizqa Devi Anazifa. Everybody calls me Rizqa. I was born on May 3rd 1992. I live in Temanggung, a cold small city in Central Java, Indonesia. I am currently studying Biology Education at Yogyakarta State University. I love drawing. I love making picture and create unique creature. I love drawing because when I am drawing, I can play my imagination and make my own world.

I also love doing outdoor activities such as mountaineering and caving. I joined the social organization since I was in junior high school. My concentrations are on education and environment. The reason why I join the sixth Youth Peace Ambassadors is because want to gain new experiences, and because I want to achieve my mission to reduce the conflicts among senior high school in Yogyakarta, Indonesia.
