

Sivahari Hari Mainali (Nepal)

(mainali_sital@hotmail.com)

Sivahari is also known as Sital, and is associated with the Himalayan Environment Research Institute (HERI) as founder member. He has been working on environment and pollution since 2013.

Mr. Mainali also leads Kavre based NGO-Prithak where he contributed in strengthening libraries of local primary schools. He has also contributed in collecting relief material for earthquake survivals. He engaged young people around Kanpur, Kavre in reconstructing damaged houses and shelter.

Mr. Mainali has completed a Bachelors in Business Management and currently pursuing Masters in Business studies at Tribhuwan University.

Apart from his studies and work, Sital is also associated in youth clubs and takes part in blood donation and tree plantation.
