

# Mr. Tam Hoang (Australia)

(info@tamhoang.com)

A General Rescue accredited, trainer and assessor with Australia's emergency response agency in NSW, State Emergency Service (NSW SES), for the past ten years, Tam has volunteered his time attending to storm and flood relief missions across the Asia-Pacific. A volunteer with the Australian Red Cross, he is also a member of the International Association of Emergency Managers and pursuing a post-graduate certificate in Disaster Risk Management at Fiji National University.

Currently, Tam serves as Deputy Organising Partner of the UN Major Group for Children & Youth, DRR Working Group and as a Board Member of Children & Youth International, the legal and fundraising body for children and young people's participation in the UN Sustainable Development discussions. He also acts as Internal Vice Chair of Youth Beyond Disasters, a global youth-led NGO, who exist to amplify the many great examples of youth led DRR and mobilise young people around the world to roll up their sleeves and take real action.
