Assalamu'alaikum everyone, Hallo! I am Teguh Heriyanto, called Teguh. I was born in Pekanbaru City, Indonesia on 24 December 1990. Now, I am a student of the Marine Science Department, Fisheries and Marine Science Faculty, University of Riau. Besides being a university student, I also am active in some organizations such as FSRMM, MSEC (Marine Science English Club), and as a volunteer in Belucap Mangrove Club (BMC). I am one of three most outstanding students in University of Riau 2013. I can speak Bahasa Indonesia, English and Japanese (not fluent). I had participated on International events such as the Second Looking Beyond Disaster Youth Forum (LBD2), Sendai, Japan, 2012 and the Third Looking Beyond Disaster, Kobe-Japan, 2013. I also participated in a National event, that is Sail Morotai (Sailed from Jakarta to Ambon, Sorong, Raja Ampat Islands, Ternate, Morotai, Makassar).
