

Mr. Tsuyoshi Sotoya

(sotti244@gmail.com)

Tsuyoshi Sotoya is a student of Erasmus Mundus Master of Bioethics, based at Katholiek University of Leuven, Belgium. In 2013, he received his M.A. in Social Sciences from Hitotsubashi University, Japan, and in 2009, his B.A in Human Sciences from Waseda University.

His major is Bioethics and he is currently conducting a research on ethical issues of donor insemination from the perspective of donor-conceived offspring. He is also a UNESCO Youth Peace Ambassador (YPA) and Looking Beyond Disaster Ambassador (LBD) from Japan and has been engaged in peace activities, including “Youth Workshop on Bioethics” and “Sharing Disaster Memories”.
