

# Ms. Umayra Priyanto (Indonesia)

()

My name is Umayra Priyanto, but my friends call me Myra. I'm from Indonesia. I study at Whatcom community college, in the USA, and I'm still a running start. Next, in my future I want to be a psychologist and help kids in developing countries such as Indonesia. Nevertheless, the reasons why I came to LBD3 are because I want to learn how to develop action for change the world. Moreover, I want to make new friends from a lot of different countries. Then, I also want to see Japan, which is an interesting country for me. In conclusion, I hope I can learn a lot of new things from this program, so I can help a lot of people in Indonesia and in the world.
