Objective

- Promote peace and diversity to preschool children, teenagers and preschool teachers

Background

- Indonesia is a diverse country
- Young children are agent of change, they are still pure in mind, don't think as complicated as adult
- Children teenager are easily influenced by the environment including parents, teachers, media, games, etc.
- Involving young children in promoting diversity is important in to develop the ability to respect and cherish diversity, and promote peace

Objective

- To involve young children in promoting diversity and peace

Methods

- Step 1: Competition for teenagers (15-22?)
 - Create a song about peace and diversity
 - Create a picture story (about diversity and peace)
 - Storybook telling about diversity
- Step 2: Collaboration with the preschool teachers
 - Choose the song, picture story and storybook telling appropriate for the preschool children
 - Develop the appropriate methods to deliver the topics
 - Develop the curriculum as a pilot project in a preschool (3-6 months programme)
- Step 3: Implementation for preschool children (3-6?)

Evaluation

- Short term
 - Questionnaire for the participants of the competition
 - Questionnaire for the preschool teachers
- Long term
 - Student reports

Networking and Collaboration

- Himpaudi (association of preschool teacher)
- Puslit Gender, Anak dan Pelayanan Masyarakat Univ Jenderal Soedirman (Research center for children, woman and community services)

Challenge

- Budgeting
- Evaluation
- Curriculum (inserting peace topic and methods in the preschool curriculum)
- Human Resources
