**YPA10 Action Plan**

# MUHAMMAD REZKI ACHYANA

# ACTION PLAN ELEMENTS

- 1) Make seminars, forums, and lectures for parents, teachers of special needs kids school, and societies; about autism, special needs kids, and the best therapy with Applied Behavior Analysis (ABA) method
- 2) Make some events to foster creativity with special needs kids as the objects
- 3) Make a music album with songs of Putrakami Foundation with the special needs kids and their teachers as singers

- 4) Celebrate some National Days of Indonesia with special needs kids, such as Kartini Day, Independence Day, Mother's Day, Idul Fitri, and Christmas
- 5) Make a social event to celebrate International Autism Awareness Day and International Down's Syndrome Day.
- 6) Make a website for Putrakami Foundation and ABA Batam to promote our events and the understanding of special needs kids
- 7) Give a chance for volunteers to work with special needs kids with Putrakami Foundation

## MAIN PROJECT:

# 0% DISCRIMINATION FOR SPECIAL NEEDS KIDS IN DAILY LIFE

- Make events for special needs kids and show their abilities and creativity to societies, to make them stand up in public and prove that they also have abilities like others.
- Give education to societies e.g. neighborhoods, parents with normal kids, teachers, sellers, etc. about how to deal with special needs kids
- Spreading awareness and promote understanding about special needs kids in social medias

# 0% DISCRIMINATION FOR SPECIAL NEEDS KIDS IN DAILY LIFE

- Ask the special needs kids (if you have or know anyone) to meet your friend(s), or neighbor(s), and teach them how to communicate well and act appropriate in meeting
- Promote special needs kids in every seminars, forums, or conferences that you attended; so people can understand and be aware of these kids.
- Patient, optimist, and pray to God for them
