# Grass root peace initiators:

- The unknown individuals of any age or nationality who have worked towards a brighter and more peaceful future.

# PLAN

- To find and gather information about the everyday people around us who are working hard towards a peaceful future  
And put into a book for elementary students.

The book will be published and placed in to the library shelves of elementary schools in Toronto and Hiroshima, and put on UNESCO Bangkok website.

# AIMS

- To inspire acts of peace in youth and mainly elementary school students in Canada and Japan.
- To show youth's appreciation toward the efforts put by the older generation toward a peaceful future.

# GOAL

- To have the book placed in as many elementary school libraries in Toronto, Canada and Hiroshima, Japan as possible, and elsewhere.
- To find an environmentally friendly company or organization to sponsor publishing the book in an environmentally friendly manner.
