**“BRIGHTER FUTURE THROUGH PEACE
EDUCATION AT SCHOOL”
A ONE-DAY SEMINAR AND CHARITY**

Action Plans from Ramadhani Eko Putranto

BACKGROUND

- ✘ Students consist of highly motivated young persons.
- ✘ Students are the next generation of every nation.
- ✘ Students have so many brilliant and innovative ideas and they have a huge sense of curiosity to find any kind of new information everytime.
- ✘ Students can easily attract to new interesting things.
- ✘ They can easily managed and very fast to accepting new knowledge.

PURPOSES

- ✘ To spread the value of peace to Indonesian young generations so that they can implement the value of peace to their closest relatives and environment around them.
- ✘ To encourage Indonesian young generations to contribute to peace among friends at school then hopefully they brought it too to their home and environment.

EXPECTED OUTCOMES

- ✘ Raising awareness of Indonesian young generations to be aware of peace and how beautiful peace is.
- ✘ The event will give a brief message about peace and the students will spread the message of peace and love to people around them.

EXPLANATION OF THE ACTIONS

- ✘ Approaching the nearest Elementary Schools, Junior High Schools and Senior High Schools to tell them about my plan and soon make an agreement with the schools to assist this event.
- ✘ After the schools have successfully decided, find some donors to help the funding problem if the schools asking for money to hire the classes.

CONT.

- ✘ Next step, starting the seminar .
- ✘ Give students chance to ask questions regarding peace making and all other related topics to peace.
- ✘ At the last session, the charity will be raise to help the war victims in Middle-East through Dompert Dhuafa (an international charity Foundation in Indonesia).
