5. Action Plan Report

5.1. Description

My Event named “Festival Antarbudaya”(Intercultural Festival in English). In This Event, we invited all student in Medan City – Indonesia from all schools, and orphanage. They are from kindergarten to High school student. I made this project together with my local NGO “Bina Antarbudaya”(Indonesian Foundation for Intercultural learning).

In this event, the children are categorized from kindergarten category, primary school category, junior high school category, until High school category. Each category has their own contest which has the same theme that is “Creating World Peace through Intercultural Learning”. So in the kindergarten, they were having colouring contest. In Primary and Junior Category, They were Having painting contest. Both in these category, they showed their creativity. In high school category, they competed in Speech or Poster contest. They must create the speech according to the event theme.

The event was held in Sunday, 22nd April 2012 from 09.00 AM to 17.00 PM in **Suara Nafiri Hall**, Medan, North Sumatra - Indonesia.

5.2. Objectives

To teach the young people about The World Peace that can be reach through intercultural learning

5.3. Outcomes

My Action plan is to make young people around my area aware of World Peace and Use intercultural learning and understanding to reach it. Through this event, the number of people that share the same idea with us increased. The actual outcome was

beyond our expectation. It shown through the participant that joined our event around 150 people

5.4. Participants

Children to Teenager (From Kindergarten to High School)

5.5. Other activities

-

5.6. Challenges

Budget

The first challenge we had was the budget because our activities is volunteering so we need to search the financial support through donations and proposal from sponsors.

Number of Volunteer

The comitee work were volunteers. Since we don't have many volunteer, it is hard for us to work effective and fast.

6. Future action plan ideas/related action plans

I would like to make a skill training for homeless and poor children around my area. So they dont begging for money, but they have their own income through creative work.
