P.I.E Cares-Peace Education : The World around Us

Plan:

- Introduce volunteering to university students
- They will volunteer at high schools with short lectures about Peace
- Volunteer at country side schools to discuss about peace

Timeline

year\season	Winter	Spring	Summer
2012	Introduce volunteerism, find volunteers, conduct workshops in peace education	-	-
2013		Start volunteering at high school in UB	Start volunteering at country side

P.I.E Cares-Peace Education : The World around Us

What we are going to do to evaluate the work:

- Volunteers get lessons, understandings what they are going speak about
- What they've learned they'll tell students

Sources of information

- Teachers, professionals, internet

P.I.E Cares-Peace Education : The World around Us

Partnerships:

- Local companies
- NGO's
- Universities
- Advisors
- UNESCO

Youth Peace Festival-Mongolia

- A larger festival is planned to be held in May 2013
- Youth, parents, others who want to participate in this festival will have some activities

Youth Peace Festival-Mongolia
