WHAT's GREEN PEACE TRAIL MAKER?

Cycling Club; Green movements and Peace
educations by cyclists, physicians and medical
students in the Medical School at Jenderal
Soedirman University

WHY?

1. The Global Warming was getting worse
2. The green areas in Selamet Mountain and other place in Purwokerto was decrease in 2 years
3. Strategic Role of Doctor in Indonesia
4. Every body love to cylcing 😊

What We Want?

Optimize the strategic role of medical students
and physicians (agents of change,
development, and health) in the community
as an agent of peace

HOW?

- 1st Phase

- Modificate my previous club ; vision, missions
- Make a draft of peace education curriculum*
- Recruit more members (dr. & Stud)
- Fun bike in the end of this year
- Green campaign for 4R (reduce, reuse, recycle, replace) to Community
- Planting in medical school areas and in the selamet mountain

- 2nd Phase

- Peace education curriculum
- Fun bike with community s 1 de month
- Starting the TOT; SGD (med. Student)
- Starting teaching and educating peace (senior Highschool)

Con't

- 3rd Phase
 - Make a regeneration system from collected data (Problem analysis)

Indicators

- 1st Phase

- The Vision & Mission have modified
- draft of peace education curriculum
- dr = 10 ☺
student = 60 ☺
- Fun bike in the end of this year = 10 dr
150 ☺ med student
200 Sen High Student
- Green campaign for 4R (reduce, reuse, recycle, replace)
- Planting in medical school areas and in the selamet mountain
= 100 trees

- 2nd Phase

- Fun bike with community = 90 ☺
- Starting the TOT; SGD (med. Student) = 30 med student
- Starting teaching and educating peace (senior Highschool) = 3
senior high school in pwt (400 senior high school)

Indicators

- 3rd Phase
 - Regeneration system
 - = Have a regeneration system

Targets

- Medical Students
- Physicians
- Senior High School Students
- Society

Time Line (2012-2013)

[illegible][illegible]

Who're we can build cooperation with?

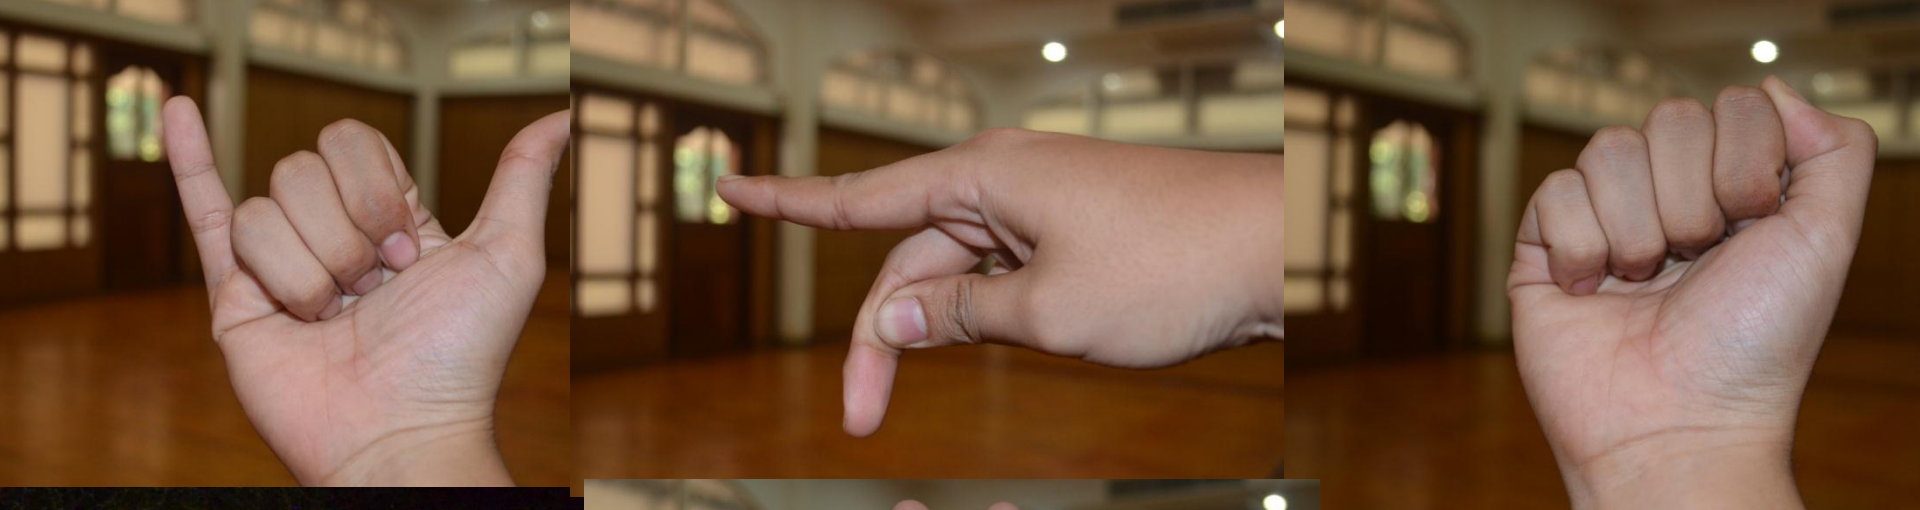

- Polygon
- United Bike
- LPPM (Research Institute and empowering society)
- Senior High School
- Dean
- Local goverment
- BIKE TO WORK & BIKE TO CAMPUS JSU

THE PROBLEM

- Study Oriented minded in med student
 - Scheduling, rewarding
- Ignorances about peace, environment
 - 1st campaign → what's going on in the world now!
→ what's going on in our country now!
 - (the urgency of peace building)

\$?

Phase 1	\$?
Vision & mission	0
Recruitment	50
Draft V edu	30
Fun bike (Launching)	300
Campaign 4R (banners, posters, souvenir)	300
Planting trees \$ 2.5 @ 100 hoe \$ 4 @10	290
Phase 2	nov
Fun bike with community 1/month @ 11 month	110
TOT (seminar kit, stationery, etc.)	300
Teaching in 4 SHS (accomodations, stationery, rewarding)	600
Phase 3	
Regeration system	50
Total	2030

OUR **small** ignorance

Bring

Big damage to OUR environment

Whoever U R, Let's start
Cycling, Reducing, Recycling,
Reusing, replacing
