

Aila Marie Gatlabayan

Email: ailagatlabayan@yahoo.com

I was born December 3 1993 in the province of Rizal, Philippines. Taking up Bachelor of Science Majoring in Biology in St. Paul University Quezon City. The President of the Paulinian Student Government, The Executive Council of SPUQC. A member of the American Society of Microbiologists and one of the University Scholars of the Humanitarian Affairs UK.

Being raised in a province taught me to give importance and celebrate Filipino culture and be an advocate of preserving and keeping a stronger communities of indigenous people in education, environment, livelihood, health and values.

Youth Looking Beyond Disaster Profile
