(deepamaharjan@yahoo.com)

I am 25 years of age. I am vice secretary of Youth's UNESCO Club. I am student of social work from Padma Kanya Campus and also graduated in fine arts. I helped the Club organize the Youth Peace Festival in Nepal from April 10th to April 14th 2013.

Regarding my personal hobbies and dreams, it is to be a social worker and do art. I want to see my country to be one of the most famous in the world for which I am always ready to serve my country by any means. I enjoy learning new skills and developing them into abilities. I am always looking to improve myself in my private and professional life.
