

Mr. Fernando S. Sihotang (Indonesia)
(Email: fernando.sihotang@unri.ac.id)

Born in Bandung, Indonesia, 21st June 1990, he moved to Medan, North Sumatra, in 2000. Banda Aceh is the next city from Medan. The earthquake and tsunami in 2004 in Banda Aceh, and also the earthquake and tsunami in west Sumatra, inspired him to be involved more in volunteer programs related to youth programs and disaster. He attended his 1st international youth program in LBD3 in Kobe, Japan. He got a lot of friends and new concept in many creative idea to implemented in his home, it's related to mitigation and education of disaster, especially in natural environmental change.

He hopes by joining LBD4 he will be able to expand his volunteering and get more experience, knowledge. Recently, he joined and become one of organizer NGO aloha community in Riau, Indonesia. You can contact him by email
