

Mr. Muhammad Q Rusydan (Indonesia)

qrusydan@yahoo.com

I was born in Indonesia. I have graduated from State Islamic University majoring International Relations. I am also planning to pursue Master Degree in Social Development or Education.

I have attended the Youth Peace Ambassador (YPA 5) Training and Workshop in Thailand and Youth Looking Beyond Disaster (LBD 5) forum in Jogjakarta. I am now a Youth Peace Ambassador.

I am also co-founder of Duta Damai Remaja, a youth community focused to tackle bullying and student-brawls issues. Apart from that, I am a social worker and traveler. I love to learn new things and new cultures, and I want committed myself to help others in need by giving small contribution for my society.

My goal is to make a bigger and more sustainable positive changes for my community.
