YPA14 Action Plan

PROBLEM STATEMENT

- Equality is the state of being equal in all aspects. It can be in human rights, employment, education property and other matters. It is somehow happening in our society nowadays. Most of the time there's a conflict among all genders, rich and poor, educated and not educated. Discrimination in such ways can affect the behaviour of a person. Inequality has a big impact on the economic performance by affecting social cohesion, trust and motivation.
- 

- ▶ Human Rights are the basic rights and freedoms to which all human beings are entitled, like civil and political rights, the right to life and liberty, freedom of thought and speech/expression, equality before the law, social, cultural and economic rights, the right to food, the right to work, and the right to education. In short, human rights are freedoms established by custom or international agreement that protect the interests of humans and the conduct of governments in every nation.
 - ▶ This action may be the reason of fighting our rights in a correct way by youth people. This can be the time that people may not be abused because they know about their rights.
-
